Oyster facts:

Oysters drink 50 gallons of water each day!

Oysters make the water safer for swimming.

They make the water clearer and allow light to reach the bay grasses.

Floats make great perches for birds!

Floats make a great Blue Crab hangout.

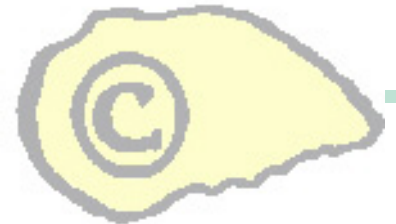

Great kids' science project!

Oysters are great for the Bay

"The best oysters I've ever eaten."
Stephen Fine

"Maintenance is so easy . . . if you find yourself doing work, call Rich!"
Steve Huett
